\_\_\_\_\_

Would you be willing to follow the voice of God if it meant going against the rule or customs of the Church or your upbringing? What are some potential backlashes you might experience as a result? And why is it important to proceed with caution in this regard? \_\_\_\_\_

## APPLY THE TRUTH

How has obedience to God required you to walk by faith? Often we don't know the next step to which He is calling, so how can Peter's response to God's call be a great template for this, and are there any best practices that you can think of that can help aid in this regard? \_\_\_\_\_

---

How do you take what you have learnt so far in the book of Acts as a springboard for evangelism to those outside of your circle? \_\_\_\_\_

---

---

---

What are some necessary marks of a follower of Christ? How can you get to a point in your walk with Christ that others see these marks in you? \_\_\_\_\_
